

## ALABAMA PRESCRIBED FIRE COUNCIL (APFC)

### Mission

**"to protect, conserve, and expand the safe use of prescribed fire  
on Alabama's fire adapted landscape"**

### Purpose:

- a. provide a **focus** for issues and concerns
- b. facilitate **communication** and the exchange of information
- c. provide a **forum** where all interested parties may participate
- d. promote a general **public understanding** prescribed fire and distinguishing between prescribed fire and wildland fire,
- e. promote **safety, training, and research** in the art and science of prescribed fire,
- f. provide a forum for discussions on **prescribed fire practices**, and
- g. promote and facilitate an **increase in acres treated** annually with prescribed fire.
