- Designed to meet needs of small landowner

Hunting Lease Liability Insurance is available to each member of the Alabama Forest Owners' Association (AFOA) on land owned by the member which is **leased** to a hunting club. Land may be located anywhere in the United States.\* Lands that are subleased may **not** be included. AFOA is taking applications for coverage under its 34th one-year group policy which will become effective August 1, 2022 and will remain in effect to August 1, 2023. Coverage begins on or after August 1, 2022, based on date of receipt of correctly completed application and full payment. The policy names both the landowner and the hunting club as insured and each receives a certificate of insurance.

This program offers broad coverage, but it must be remembered that the insurance is strictly "hunting lease **liability** insurance" and does not take the place of liability insurance unrelated to leased hunting activities. Watercraft (longer than 19 feet and/or powered by motors greater than 25 hp) related accidents as well as commercial dove shoots and short term fee hunting are **not** covered.

It is recommended that all details of the lease agreement between the landowner and the hunting club be written and mutually agreed upon. It is further recommended that the lease agreement require the hunting club to have written by-laws which are subject to approval by the landowner.

\* New applications not accepted for land in AR, FL, LA, MD, TN, or VA unless landowner is resident of or owns land in Alabama.

**NO REFUNDS WILL BE ISSUED**

**Application must be filled out completely in order to be processed.**

2022-2023 Policy will become effective August 1, 2022, and will remain in effect to August 1, 2023.

**NOTICE:** This form is for **new users only**. Current users of AFOA's policy will receive renewal notices in the mail.
