

Forestry Consultants

Many of the more than 8,000 members of the Alabama Forest Owners' Association

will be in need of a consulting forester during the next year. Send us your address and phone number and our members will contact you the next time they are in need of a forestry consultant in your area. All 5 questions/sections must be completed.

There Is No Cost To You To Be On Our *Consulting Foresters List!*

1. Is your primary business providing consulting forestry services to private landowners? (Circle One) **YES** or **NO**
2. Do you or your company buy stumpage or have an interest in a company that buys stumpage from private landowners? (Circle One) **YES** or **NO**
3. **Contact Information.**
