SPONSORS

Event Details

Increase your exposure and gain confidence in conducting a prescribed fire in your woodlands. Attendees will experience a day long "start to finish" prescribed burn. Each person will be assigned to a burn crew managed by an Alabama Certified Burn Manager. Participants will have all day access to observe, ask questions and experience igniting and hold a burn line in a variety of fuels, terrains and stand conditions.

Requirements

This event is an interactive live fire demonstration.
Participants will participate for the duration of the burn and sign a hold-harmless liability disclosure/waiver on the day of the event. Participants must expect to be active all day walking, wearing proper attire while using hand tools.

Registration

Online registration:

www.alaforestry.org/events

Participants notified of acceptance by April 23rd
